*Our mission is to nurture in every child their intrinsic value and an immense love of learning and prepare them for life in the constantly evolving global communities.*

## *Summer Camp*

Summer Camp at Living Montessori offers non-stop opportunities for creativity, discovery, active play, social interaction and fun! Children ages 3-10 join a homeroom classroom that is thoughtfully prepared with materials and hands-on activities to engage all of their senses while promoting creativity, movement, cooperation and collaboration. STEAM-inspired activities enrich your child's experience through Science, Technology, Engineering, the Arts and Math. Abundant sunshine and fresh air are a must as children enjoy daily play on our recently refurbished, nature-inspired 10,000 sq. ft. playground. Montessori elements of independence, choice and responsibility carry over into the Summer Camp environment as we continue to inspire children to be their best possible selves. Delicious and organic lunch and snacks are included, and before-camp care and aftercare are available.

#### Garden Buddies

*June 18-22*

Want to grow a Garden? Join us this week as we see how worms build our soil, learn the parts of a plant and discover how important pollinators are. Then we will get our hands dirty planting vegetables, herbs and flowers.

Age 3.5-5, Time 1:00-2:30 pm  
\$250/\$287

#### Ceramics

*July 2-6*

*(No class July 4)*

Campers will create delightful sculptures, beads, usable cups or plates and more using hand building techniques. They will explore fired and non-fired clays, white and terra cotta clay bodies and various air dried and kiln fired finishes. Instructor Liz Gasper loves working creatively with children and is a founder of Kent Kids' Arts Day.

Age 3.5-7, Time 1:00-3:30 pm  
\$220/\$255

#### Lego - Pre Robotics

*June 25-29*

Get creative, build, imagine, explore! Children will have fun all while growing their understanding of early math and science. To introduce your child to STEM with Legos, all models will utilize a combination of motors, smart hubs and sensors. At the end of class they'll want more!

Age 3.5-6, Time 2:00-3:00 pm  
\$255/\$294

#### Mixed Media Art

*July 16-20*

Sketching, drawing and painting Oh My! The week will be fun-filled with different project, leaving your child wanting to come back for more. Just like the famous Eileen Agar, Henri Matisse and Pablo Picasso, your child will practice art using several techniques and materials. Beyond embracing the wonders of art your child will increase their fine motor skills, visual-spatial organization and an increased self-esteem and confidence.

Age 3.5-10, Time 2:00-3:00 pm  
\$255/\$294

#### Dance

*June 25-29, age 3.5-5*

*July 9-13, age 4-6*

This camp brings to life a combination of dance genres including hip hop, jazz, ballet, and break dancing. Campers learn to translate music into appropriate execution of rhythmic movement and expand their vocabulary. Campers engage in self-expression and build coordination while discovering their talents.

Age 3.5-5 & 4-6, Time 1:00-3:30 pm  
\$235/\$270

#### Dig In! Oxbow Farm

*July 23-27*

Campers will spend the week digging into real farm projects as they harvest and prepare healthy snacks! They will investigate living soil where organic farming begins and explore the important links between a healthy natural environment and a robust organic farm. Additionally, campers will get to know the wild animals who can be both helpers and pests on the farm. They will get creative by working on their own garden plot as well as design a mini farm to take home.

Age 4-6, Time 10:00-2:00 pm  
\$350/\$405

## *Age 3 ½ - 6*
